WPSSOC313 13A 250V 1G

Compact S/S/O IP66

CCM WPSSOC313 1G Compact Switched Socket Outlet is a robust line of outdoor switches and sockets designed to withstand heavy impacts, prolonged sun exposure, and potential chemical splashes. Ideal for balconies, swimming pools, exterior walls, and gardens, they enhance electrical safety in outdoor settings.

CCM WPSSOC313 provides five key outdoor protections: it guards against hose-sprayed water, shields from rain and moisture, offers dust resistance, and boasts impact and chemical resistance. While prioritizing safety, CCM WPSSOC313 also complements your home design, combining practicality and long-lasting durability.
